Job Posting: Older Adult Outreach Coordinator

REPORTS TO: Programs and Operations Manager

HOURS AND REMUNERATION: Full time, 35 hours per week, 28-month contract

POSITION SUMMARY:

The Older Adult Outreach Coordinator will be responsible for coordinating the Older Adult Peer Support project and supervising the project's peer support team and volunteers, including training, scheduling, and orientation. The Coordinator will collaborate with community partners in order to deliver mental health peer support to older adults/seniors who are isolated and/or living with mental health challenges. The Coordinator will also engage in community visits, provide peer support, and lead various workshops and groups across Greater Sudbury. The Coordinator will work with the project researcher and performance measurement specialist to ensure that project goals and the work plan schedule are met and that knowledge of mental health peer support for older adults is collected, analyzed and shared with the wider community, locally, provincially and nationally.

DUTIES AND RESPONSIBILITIES:

Engages older adult community in project

- Prepares, schedules and facilitates presentations in the community of Greater Sudbury with the goal of recruiting participants in support groups and as volunteer peer supporters.
- Manages and mentors volunteer peer supporters so that NISA's Core Values of Peer Support are maintained.

Provides administrative direction and coordination of peer support programming within project

- Organizes and facilitate peer-based programs for older adults, which may include: WRAP® programming, wellness groups, aging and mental health sharing circles, family/caregiver initiatives and day-to-day workshops
- Works in cooperation with the NISA Program Coordinator to identify opportunities to connect older adults to current NISA programming
- Shares learnings with NISA peer support trainers in order to enhance and adapt training course

Provides direction and human resources support for Peer Support Program Assistants:

- Management, supervision and mentorship of Older Adult Outreach Peer Support team (Program Assistants)
- Ensures Program Assistants work within NISA's Core Values of Peer Support, model recovery-oriented practice, and attend to the recommendations of the *Guidelines for Comprehensive Mental Health Services for Older Adults in Canada*.
- Schedules team members and volunteers in the community; organizes monthly activity and outreach schedule
- Holds team meetings; coordinates meetings with staff members and volunteers off-site: preparing agendas and training topics, holding meeting, taking and disseminating minutes.
- Networks with local and regional community services; attends workshops and conferences as well as local planning tables and committees.

Provides outreach support to individuals (older adults) to assist in their recovery or lessen isolation:

- Coordinates the delivery of older adult emotional support groups.
- Carries out visits to individuals in various residences and in community locations.
- Engages in one-to-one, recovery-based peer support in alignment with Mental Health Commission of Canada's *Guidelines for the Practice and Training of Peer Support, Recovery-Oriented Practice and Guidelines for Comprehensive Mental Health Services for Older Adults in Canada*.
- Assists individuals in identifying their personal recovery goals and setting objectives to reach those goals.
- Provides assistance and support with skill development both at residence and in community, as directed by the individuals.
- Provides referrals to and liaises with appropriate services and resources within the community.
- Supports individuals with planning and participating in community activities.
- Advocates with and for individuals and provides opportunities for self-advocacy.
- Ensures individuals have information related to their rights under the Mental Health Act, Accessibility for Ontarians with Disabilities Act (AODA), the Long-term Care Homes Act and other related legislation.
- Oversees provision of the same by Peer Support Program Assistants and volunteers.

Participates in the evaluation of program goals and objectives, making recommendations on changes to current program activities for improved service delivery.

- Works collaboratively with Performance Measurement Specialist and project Researcher to set up evaluation tools, implement data collection, provide insight into evaluation and knowledge translation activities

Ensures all file management and reporting functions are maintained in a comprehensive and timely manner:

- Ensures contacts are recorded appropriately and in a timely manner.
- Ensures that monthly, annual and other required reporting documentation are completed.
- Participates in scheduled meetings with supervisor and in other project meetings.

Maintains up-to-date knowledge of the Mental Health Act and related legislation, the structure and personnel of local social agencies, government departments and trends and developments in the community that could affect the provision of mental health services.

Forwards the concepts of peer support practice and understands and implements a recovery-oriented philosophy in all job duties.

- Works within NISA's Core Values of Peer Support and ensures those values and recovery-oriented practice are prioritized by project staff and volunteers.

Avails self of opportunities for professional development:

- Brings forward training needs and takes responsibility for seeking out relevant training opportunities
- Participates in workshops, training and seminars as required by project and the organization
- Participates in a monthly NISA staff meeting
- Participates in the performance review process and supervision meetings

Works within the Policies and Procedures of NISA/Northern Initiative for Social Action

- Promotes NISA's mission, vision and values to the membership and to the community.
- Represents NISA in a professional manner.

ESSENTIAL RESPONSIBILITIES AND DUTIES:

- Carry out all duties of the Older Adult Peer Support Coordinator in a moral and ethical manner
- Be present at the scheduled time of the day ready for the performance of duties
- Be ready emotionally and physically to perform duties
- Be available to work varying shifts including days with some evening & weekend shifts
- Be available to travel within Greater Sudbury for program delivery
- Be available to travel provincially and/or nationally as needed for program development and knowledge exchange

QUALIFICATIONS

- Have personal lived experience within the mental health system.
- Ability and experience to provide peer perspective to older adults.
- A diploma, degree or Canadian equivalent in health or a related discipline (Social Service Work, Social Work, Psychology, Humanities, Social Sciences, Gerontology) is considered an asset.
